

WEEKEND FAMILY OUTING

- Arrive at McDonald's Greenhouse Corn Maze, gather your family at the barn to hear instructions and study the aerial photo of the maze.
- Have a healthy, heart-pumping game of dodge ball in the Gaga Ball Pit.
- Enjoy a ride around the track on a pedal tractor – on the tractor color of your choice!
- Head into the 5-acre Corn Maze, get totally lost for 20 minutes - more or less! If you don't come out by bedtime, we'll come looking for you.
- Meander down and catch the next Hay Wagon Ride - listen to facts about the farm, see mama cows with their spring babies, and meet "William" - the black Angus bull.
- Give the kids a chance to bounce off their energy like a kangaroo in the Kangaroo Jumper.
- Take some photos of your faces in the pumpkin or apple cut-outs or beside Brutus the Buckeye.
- Play a game of Corn Hole or Hopscotch.
- Get inside the petting zoo to pet the baby goats, lambs and piglets, then hold a baby bunny.
- Head down the giant slide a few times or sit right in the middle of the giant sandbox or corn box. BEWARE – toddlers are literally occupied for HOURS in the corn box!
- Stop under the picnic shelter in the shade and buy some fresh apple cider to enjoy.
- Take a stroll down to the Enchanted Forest to identify trees and listen to the quiet.
- Try your hand at lassoing a longhorn steer.
- Pick out the biggest pumpkin you can carry, and grab some mums, Indian corn and gourds for fall decorating.
- Head home, hot and tired, but with big smiles and lots of photos!
